

G321 LIGHTSPEED is a wireless gaming headset made for comfort and performance — right out of the box. It's designed with lightweight comfort engineering at 210 g, a 16 kHz mic with a flip-to-mute boom mic, and LIGHTSPEED Wireless and Bluetooth® connectivity with 20+ hours of battery life. G321 delivers incredible gaming-grade audio and superior comfort that immerses you in the game.

WHAT'S IN THE BOX

- G321 LIGHTSPEED Wireless Gaming Headset
- USB-A LIGHTSPEED wireless receiver
- USB-C to USB-A charging cable
- User documentation

FEATURES

- Dynamic comfort and fit: Wireless headset with mic that's engineered for lightweight comfort (210 g) with thick headband, high elasticity knit fabric, and memory foam ear cups
- LIGHTSPEED Wireless: Logitech G's legendary wireless technology delivers a seamless and reliable PC gaming headset experience with 20+ hour battery life for epic gaming sessions
- 16 kHz microphone: A flip-to-mute boom mic delivers crystal-clear comms for precise team chats and easy mute control during gameplay
- Bluetooth enabled: Pair and play for quick access to Discord chat, mobile games, music, and more — perfectly suited for grab and go Bluetooth gaming
- High-performance audio drivers: Rich, detailed sound for immersive gaming — enhancing how you hear footsteps, feel explosions, and detect in-game cues right out of the box
- Simple controls: Easily accessible power, Bluetooth®, and volume buttons let you adjust settings quickly, so you can stay focused on the game
- Play never ends: G321 delivers a comfortable fit, clear mic quality, flexible connections and enhanced functionality — all designed to upgrade your setup and your gaming experience
